

Pressure Washer

K 5.20 M plus *EU

K 5.20 M is an extremely compact, mid-range high-pressure washer for private users. Unmistakable Kärcher design which fully meets demands for ergonomics and ease of use. Power consumption is reduced and service life increased by the environment-friendly pressure switch control which turns the motor on and off automatically when the trigger gun is opened and closed. Low noise level (74 dB(A)), pull-out handle and large wheels for convenient mobility, even up and down steps.

Integral holders for accessories. Detergent intake via an injector with metering control. The standard accessories supplied with the machine include the trigger gun with high-pressure hose, the Vario power spray lance for infinitely variable control of water pressure between 20 and 120 bar to suit the cleaning task in hand. This makes cleaning easy and enjoyable.

Standard accessory:

- Trigger gun with integrated detergent nozzle
- 7.5m high pressure hose
- Vario power nozzle
- Dirt blaster
