

Pressure Washer

K 6.80 M plus *EU

Mobile, compact and modern unit, exceptional 135 bar and 530 l/h, with integral detergent tank, designed for discerning users, suitable for all cleaning jobs. The K 6.80 M is an attractively styled upright cold water pressure washer. Large wheels and ergonomic handle for easy manoeuvrability. Accessories can be stowed in the fully enclosed machine cover made of impact-resistant plastics. The long high-pressure hose for wide radius of action, enhanced operator convenience and functionality. The Variopower spray lance enables the operating pressure to be easily varied between 20 and 135 bar to exactly suit the surface being cleaned and the degree of soiling. Ergonomically shaped trigger gun with integral pressure gauge for fatigue-free operation. Features built-in detergent tank for really stubborn cases and other special cleaning tasks.

Standard accessory:

- Trigger gun with integrated detergent nozzle
- 9m high pressure hose
- Vario power nozzle
- Dirt blaster
- Washing brush
- Cleaning tabs
- Detergent tank
