

HDS 500 Ci

Commercial Cold/Hot Water Electric High-Pressure Washer

Economical and fully equipped, the HDS 500 Ci features innovative German engineering. This pressure washer is ergonomically and compactly designed and is well suited for agriculture, automotive and janitorial cleaning applications. The HD 500 Ci includes features such as a one-piece motor/pump housing for excellent heat transfer and a patented Kärcher high-performance pump with steel pistons for increased efficiency and trouble-free operation. In addition, the high-performance burner system comes standard with a 5 year limited warranty.

Air-cooled, electric motor with **overload protection**

Kärcher **high-performance burner system** with vertical heater coil and air insulated double jacket

Grouped safety system incorporating low water cut-off, pressure switch and pulsation dampener

Ergonomic machine handle design

Low resistance trigger gun and patented Anti-Kink System with rotating high pressure hose and spray wand

Compact design with powder-coated, one piece low profile chassis (corrosion proof), built-in 4.0 gal. corrosion resistant fuel tank

Semi-pneumatic tires for easy mobility and swivel type caster with brake for safety

HDS 500 Ci

Commercial Oil-Fired Cold/Hot Water Electric High-Pressure Washer

Technical Specs

Part Number

1.890-406.0

Electrical Data

110 V / 1~ / 60 Hz / 2.3 HP / 20 A

Operating Pressure

1300 PSI

Water Volume

2.2 GPM

Maximum Water Temp.

86° - 175°F (Infinitely Variable)

Machine Net Weight Without Accessories

176.4 lbs

Machine Dimensions

36.8" x 23.6" x 28.7"

Warranty

2 year limited

Standard Accessories

- On/Off trigger gun
- Stainless steel wand (360° pivot)
- 2-Position Spray Nozzle (25° HP fan jet, 40° low pressure chemical injection)
- 50 ft. swiveling high-pressure hose
