Instructions for use:

- In the food sector, rinse thoroughly with drinking water.
- Do not let the cleaning solution dry out.
- Concentration and reaction depend on the individual degree of contamination. See listings for table with application concentrations.
- Using cleaning agents and disinfectants alternately is recommended in order to prevent the formation of resistant bacterial strains.
- Wear protective gloves when using manually.
- Store away from frost.
- Use biocides safely. Always read the label and product information before use.

Warnings and safety recommendations according to EC Directives:

- C-Corrosive
- R34 Causes burns.
- R50 Very toxic to aquatic organisms.
- S1/2 Keep locked up and out of the reach of children.
- S 23 Do not inhale vapour/spray.
- S 26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
- S36/37/39 Wear suitable protective clothing, gloves and eye/face protection.
- After contact with skin, wash immediately with plenty of water.
- S45 In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible).
- S 51 Use only in well-ventilated areas.
- S60 This material and its container must be disposed of as hazardous waste.
