

The wide area brush-type vacuum cleaner CV 66/2 is particularly suitable for the thorough and economical maintenance cleaning of medium sized carpet surfaces. By its dual counter rotating brush rolling system, swimming stored brush head and the height adjustable handle the unit is extremely convenient and ergonomically laid out.

Standard accessories:

- Filter bag Paper
- Filter condition indicator
- Height-adjustable handle
- Safety class II
- Roller brush 2 piece

Details

Description

By the individually height adjustable handle at the machine, the CV 66/2 can simple and balanced be pushed with one handle. By the hinged handle the unit can be stowed away and transported space-saving. The 20 m long mains cable can be stored space-saving at the integrated power cable hook (one for very easy and simple removing). A comfortable access to the filter system is made possible by the large filter cover which can be opened widely. A paper filter change is thus simply and comfortably possible. The two roller brushes can simply be taken off by unlocking or be inserted.
