

BP 2 Garden

Strong and durable: the BP 2 Garden garden pump is the ideal entry-level solution for environmentally friendly garden watering from alternative water sources such as cisterns, tanks, etc.

The quality pump effortlessly draws water from a depth of 8 m, for example from a cistern.

2 Comfortable foot switch

Easy to switch on and off - gentle on the back.

Kärcher offers an extended five-year warranty.

4 Optimised connections

Optimal sealing system for easy pump connection without tools.

TECHNICAL DATA AND EQUIPMENT

BP 2 Garden

- Can be conveniently switched on and off without bending thanks to the practical foot switch
- Convenient carrying handle for mobile use
- The pump can be connected without the use of tools thanks to an optimised connection nozzle
