## Over 60 years of quality service

TASKI machines are design to last. They are designed and manufactured using the highest quality components and the latest technologies. Its what TASKI is known for.

For maximum efficiency and minimum downtime we highly recommend the fully inclusive TASKI Gold Service Plan. The TASKI Intelli options have the advantage of our IntelliTrail telemetry which provides cutting edge monitoring of operating hours, critical battery status and much more.

Our preventative maintenance programs are designed by our expert technicians to keep your machines functioning as new throughout its lifespan. TASKI Technicians undergo annual training and updates on all machines to ensure their expert know-how speeds up execution and ensures the highest quality of work completed during service visits.

TASKI technicians are fully equipped with the latest diagnostic software, laptops and smartphone technologies to be able to work fully remotely and achieve a very high level of first time fixes.

TASKI Service Plans drive out cost for your business

**We achieve this through:**

- **Cost savings & more predictable costs**
- **Reduced breakdowns & higher efficiency**
- **Extended machine lifetime**
- **Consistent and always perfect cleaning and drying results**
- **Reduced user maintenance**
