

## Car shampoo RM 811 ASF

Highly active, wax-compatible shampoo for brush washing in automatic vehicle washes. Specially formulated to reduce sliding friction of brushes and thus protect the surface of the vehicle.

### Properties

- Effective brush shampoo for car and utility vehicle washing installations
- Reliably removes grease, oil, emissions and insect stains
- Supports the sliding friction of brushes and thus protects the vehicle surface
- Significantly reduces the brushes' level of subsequent soiling
- Is compatible with wax and thus prevents streaks from forming on the coated surface
- VDA-compliant
- Rapidly separates oil/water in the oil separator (easy to separate=asf)
- Tensides biodegradable in accordance with OECD
- NTA free
