

# K 5.80 M plus

..... upright, compact, with strong performance

Water flow rate:	450 l/h
Pressure:	20-125 bar
Max. water feed temperature:	40 °C
Connected load 230 V/1~/50 Hz:	2.1 kW
Power supply:	10 A
Weight:	15 kg
Dimensions LxWxH:	396x354x899 mm
<b>Order number:</b>	<b>1.396-300</b>

# K 5.80 M plus

## Features & Benefits

■ Modern design, upright construction with handle and wheels

➔ High mobility, even over steps and stairs, classification system for all the accessories

■ Functionality:

Accessories can be conveniently stowed in the machine cover and on the handle.

Trigger gun is kept in a holster on the side of the machine.

9m high-pressure hose for wide range of action.

# K 5.80 M plus

## Features & Benefits

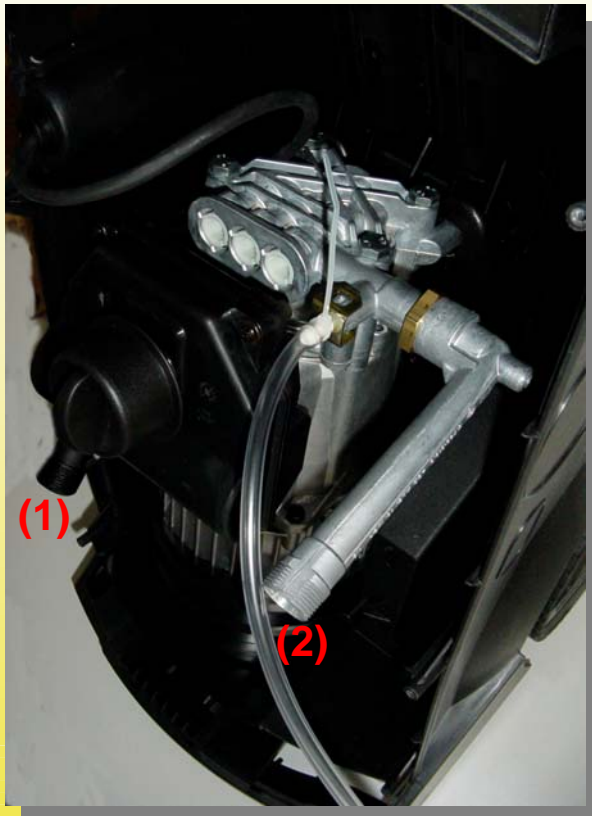

- Large ergonomic handle with cable hook
  - ➔ Secure stowing of power cable
- Totally enclosed by high-impact plastic cover
  - ➔ Protection from dirt and damage, corrosion-resistant, impact-resistant, recyclable

# K 5.80 M plus

## Features & Benefits

- Water connection (1) with filter and Gardena-screw top
  - ➔ Connect water hose without problem, pump protection
- High pressure connection (2) of aluminium
  - ➔ Comfortable connecting of high-pressure hose
- Large on/off-switch
  - ➔ Easy to handle

# K 5.80 M plus

## Features & Benefits

- Air cooled **2.1 kW**-asynchronous motor (2800 R/min)
  - ➔ Powerful drive
  
- Three piston pump (axial) made of **aluminium**
  - ➔ Matured pump technology, optimum efficiency, maintenance-free, long service life
  
- **Polyfiber** cylinder head with inlet and pressure valves made of high-grade plastic
  - ➔ Corrosion-resistant, low weight, formstable

# K 5.80 M plus

## Features & Benefits

### ■ Pressure switch control

- ➔ Machine stops when gun is closed, relieves high pressure system and motor

### ■ Detergent injector

- ➔ Detergent is applied in low pressure with the variopower spray lance

### ■ TÜV-/GS-tested

- ➔ High security and quality standard

# K 5.80 M plus

## Standard Accessories

- High-pressure hose with protective rubber sleeve, pivoted trigger gun

- Ergonomic gun design

Enhances operator comfort, fatigue-free working, stowing of the power cable

- **Variopower spray lance**

- ➔ For every cleaning task the right power

- **Dirt blaster**

- Universal professional cleaning tabs **RM 555**
