

Pressure Washer

K 5.85 M plus *EU

Mobile, compact and modern unit, exceptional performance data, suitable for all frequent cleaning jobs around the house and garden. Large wheels and ergonomic handle for easy manoeuvrability, also up and down steps, ideal for fatigue-free operation. Accessories can be conveniently stowed in the machine cover and on the handle. Trigger gun is kept in a holster on the side of the machine. Long high-pressure hose for wide range of action. Power consumption is reduced and service life increased by the environment-friendly pressure switch control which turns the motor on and off automatically when the trigger gun is opened and closed. The chemical injector enables detergent or shampoo to be picked up and applied in the low-pressure mode, e.g. for car washing. Variopower spray lance: pressure can be varied on the spray lance between 20 and 125 bar, water flow rate 450 l/h. The integral high-pressure hose rewinder keeps the hose tidily stored, all accessories are accommodated on the machine.

Standard accessory:

- Trigger gun with integrated detergent nozzle
- 7.5m high pressure hose
- Vario power nozzle
- Dirt blaster
