

## AB 20

Powerful, highly effective compact air blower. With carrying handle and integrated cable drum. This device complies with the European efficiency directives.

### 1 Integrated cord storage

- Practical cable storage.
- The cable is integrated directly on the machine, meaning it is always secure during transit.

### 2 Efficient axial blade technology

- The machine's powerful fan makes it possible to out dry objects quickly following water damage and rapidly restore fabric surfaces to a dry, usable condition.

### 3 Ergonomic handle

- Easy to transport.
- The machine can be conveniently transported with the ergonomically designed handle.

### 4 Shorter drying time

- Allows carpets to be put back into service faster.

AB 20

- Highly efficient air blower; very quiet
- Operation in three positions
- Extendable with Afd filter attachment
