Details

Description

The SC 1.030 B steam cleaner is extremely versatile and cleans without chemicals. Innovative floor nozzle with cleaning cloth is ideal for cleaning all types of hard floors. Good contact between nozzle and floor ensures better cleaning results. This steam cleaner is also suitable for hard surfaces, e.g.

in bathrooms and kitchens.

The SC 1.030 B cleans windows, shower cubicles, glass, taps, tiles, grouting, ceramic hobs or cooker hoods. The detail nozzle and round brush clean in the smallest cracks and crevices in bathrooms and showers. The power of

up to 3.2 bar pressure effortlessly removes stubborn dirt, limescale and grease and is environmentally-friendly. Note: The SC 1.030 B can also be used with a steam generator iron.

An accessory power outlet allows the use of a steam generator iron. Thick fabrics only need to be ironed on one side thanks to a constant high steam pressure. This cuts down ironing time by 50%!

The SC 1.030 B features the Kärcher safety lock which prevents the steam boiler being opened while under pressure and like all Kärcher steam cleaners, quality and safety are of the highest standard.

Application

The SC 1.030 B is applicable to clean all sorts of hard surfaces in bathrooms and restrooms: Mirrors, windows and floors. Even steam ironing is possible.

Features & Benefits

Ergonomic carrying handle
